United Nations ST/IC/2003/10

Secretariat

27 January 2003

Information circular*

To: Members of the staff

From: The Assistant Secretary-General for Human Resources Management

Subject: **Classification of duty stations and special entitlements for staff members serving at designated duty stations**

1. The purpose of the present information circular is to inform the staff of the classification of duty stations established by the International Civil Service Commission (ICSC) according to conditions of life and work and of the revised lists of duty stations designated by ICSC where special entitlements apply for eligible staff, as explained in paragraphs 6 to 10 below. The revised lists are set out in annexes II and III to the present circular. The revisions are effective 1 January 2003, except for those new and reactivated duty stations listed in annex II where the effective date is indicated as 1 July 2002.

I. Classification of duty stations

2. All duty stations are placed by ICSC in one of six categories: H and A to E. The H category comprises headquarters duty stations and other duty stations in similar locations where the United Nations has no developmental or humanitarian programmes. The A to E categories comprise all other duty stations classified by order of difficulty of conditions of life and work. Annex I to the present circular contains the list of duty stations classified in the H category. Annex II contains the list of duty stations classified in the A to E categories.

Mobility and hardship allowance

3. The category of the duty station where a staff member is serving and/or has served, H and A to E, is one of the factors that determines whether the staff member is eligible for each of the three elements of the mobility and hardship allowance, namely, the mobility, the hardship and the non-removal elements. It is also a factor in determining the amount of the allowance. The relevant provisions on the matter are set out in staff rules 103.22 and 203.11 and in the administrative instruction on the mobility and hardship allowance.

* The present circular will be in effect until further notice.

03-22662 (E) 040203

Removal costs

4. The category of the duty station is a factor in determining eligibility for removal costs under staff rule 107.27. Such costs are normally payable in the case of service at H duty stations when the appointment is for two years or more or the assignment to a new duty station is expected to be for two years or more. In those cases where removal costs are not payable, the staff member may be eligible for the non-removal element of the mobility and hardship allowance.

Special entitlements at designated duty stations

5. The classification of duty stations in the A to E categories is linked to the special entitlements that are set out in the administrative instruction on special entitlements for staff members serving at designated duty stations.

II. Duty stations at which special entitlements may apply for eligible staff

6. At duty stations classified in the A to E categories, which are listed in annex II to the present circular, one or more of the special entitlements set out in the administrative instruction on special entitlements for staff members serving at designated duty stations may apply, as indicated in paragraphs 7 to 9 below. The granting of these entitlements is subject to the conditions established in the applicable staff regulations and rules and the above-mentioned administrative instruction.

7. The category of each of the duty stations listed in annex II is indicated in the first column of the annex. At duty stations classified in the C, D and E categories, eligible staff are entitled to:

(a) Accelerated home leave travel, that is, home leave travel once in every 12 months; and

(b) Special terms for the exercise of the unaccompanied shipment entitlement of 50 kilograms or 0.31 cubic metres for travel on home leave, family visit or education grant so that the unused portion of the entitlement for one leg of the travel may be used to supplement the normal entitlement for the other leg of the travel.

8. The designated duty stations where eligible staff are entitled to additional education grant travel and an additional reimbursement for boarding costs under the education grant are indicated in the second column of annex II to the present circular.

9. The designated duty stations where eligible staff are entitled to additional shipment entitlements, namely, an annual shipment entitlement and a shipment on the birth or adoption of an infant, are indicated in the third column of annex II to the present circular.

10. Eligible staff members serving at duty stations in the countries listed in annex III to the present circular are entitled to reimbursement of the costs of basic medical examinations for accompanying eligible family members.

11. **The present circular supersedes information circular ST/IC/2002/10 of 25 February 2002.**
